# **Custom made components**

1 PCB 2-layer 180 x 95 mm, 1 oz. Cu - thickness

All prices are net prices (without VAT)

# Note: 1) Use wire jumper on DCP405B instead of fuse holders

# 2) Place 0R 0805 jumpers on DCP405B

Please note that BOM does not contain ordering number for parts on reels or that which includes re-reeling fee (e.g. Farnell). Take also into account that total cost is higher because min. quantity (MOQ) for many parts is larger then what is needed for single unit.

All resistors are 1% 0805 and all capacitors are X7R 0805 if not otherwise specified.
